Understood. We are doing the best we can with what we have to work with. Things are different during a pandemic. I have asked the supervisor if there is capacity to drop the bin on Wednesday. Then she can schedule it accordingly the day before.

Thank you.

Keeping our district clean is very much still a priority to us.

I will ask. Our resources are limited right now. They're doing the best they can.

Good morning Sarah,

Do you have an ETA of when the bin will be there today ?

We have over a two hour delay at our dump. There is no way to give an ETA at this point. We will get there as soon as we can.

Hello Sarah,

I was told that the bin wasn't there this morning. Is there a time frame in which it will arrive ?

Hi Ana,

Do you have the April bin requests for the Clean Sweep team? The supervisor wants to schedule those drops and pick-ups.
